Subject: Employee Communication

Hi Matt,

Your employee Emily Forsythe is visiting the Perris WH and booked a conference room to which someone conducted a meeting in while she was out of the warehouse.

Upon her return, I advised that there was a meeting going on in the room and she was extremely rude in her communication to me.

I don't appreciate the manner in which I was spoken to as I felt it was really unprofessional and unwarranted.

I'm aware she is a Senior Manager and therefor "out ranks" me, but I was only providing information to her. I'd appreciate if her attitude and demeanor is addressed directly as she was out right rude.

Thank You
